

SUMMER HOLIDAYS & BEYOND AT THE MUSEUM

marymackillopplace.org.au

ROOM TO CREATEGO WILD

NOW OPEN

Bring your family and visit our *Botanical Room* at the Mary MacKillop Place Museum this Christmas holidays and beyond. The Museum open seven days (**excluding Public Holidays**).

The room and activities are inspired by the discoveries and observations in nature by Fr. Julian Tenison Woods [co-founder of the Sisters of St Joseph].

The space will be open to visitors throughout the first half of the year. You are invited to:

- create your very own observational drawings from 3D models
- draw from natural specimens
- sketch directly from nature by the stream in 'The Reconciliation Garden
- contribute to the wall artwork
- share in colouring a community mural project

Art supplies, including props to draw, available **for you to go wild!**

At the conclusion of the school holiday period the finished work will be displayed in the museum.

Take refuge from the summer heat and relax in a family friendly space only steps from the café, or relax in the gardens and draw directly from nature.
