

MAPPING ACTIVITY

In the PowerPoint you heard about several places in Australia to which Donald MacKillop is connected.

Draw a map of Australia, or use the one provided. Draw in the State and Territory borders, name each State and Territory and then mark in the following:

Daly River in the Northern Territory

Palmerston in the Northern Territory

Sevenhill in South Australia

Penola in South Australia

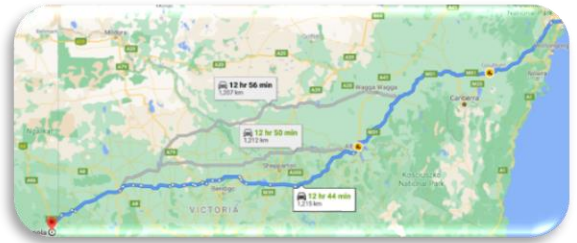

Adelaide in South Australia

Melbourne in Victoria

Sydney in New South Wales

Using Google Maps, or similar, find the directions from your home to:

1) St Mary's Church 42 Ridge St North Sydney 2060.

a. What would be the best form of transport for you to go there? _____

b. How long would it take? _____

2) St Ignatius Church, 137 William St, Norwood 5067

a. What forms of transport would you need to use to go there? _____

b. Which combination of forms of transport would be the quickest?

3) St Joseph's Church, Portland St, Penola 5277

a. What forms of transport would you need to use to go there? _____

b. What forms of transport would people in the 19th Century have to use to get from your home to Penola? _____

c. Try to work out how long it would have taken them. _____

4) Draw one of the forms of transport used to travel by land in the 19th Century.
